

200AS EGG WASHER

Features

- ◆ Including manual ramp loading, candling, sanitizer sprayer, washing, drying fan and manual collection table with a capacity of 2,000 eggs/hour.
- ◆ The sanitizer sprayer sprays sanitizer or detergent (customer provides chemicals) onto eggs automatically for food security purpose.
- ◆ The eggs will be cleaned by brushes with warm water (the price doesn't include a water heater, consult our representatives if needed).
- ◆ The updated drying system provides an improved drying result.
- ◆ Only 2 people required (one for loading & candling, another for egg collection).
- ◆ Can be operated by one person only when connected with an accumulator (with the single roller conveyor) which connects with the washer.
- ◆ Has a compact structure and occupies minimal space.
- ◆ Ideal for free range farm, and satisfies of egg cleaning requirements.

Model	ZYX-J1-1
